## Commanding Officer's Plan of Attack

**LIEUTENANT COLONEL DRAPER**

Merry Christmas, Marines.

I want to thank each of you for your support of Toys-4-Tots. Several of you have attended events and many more are slated for others throughout the rest of the month. Take time to enjoy what you are doing; it truly makes a difference in people's lives. While we protect America's body by killing terrorists overseas, the things we do during the holidays protects America's soul. God bless, and have a happy holiday season.

LtCol Draper

## First Sergeant's Message

**FIRST SERGEANT LEITNER**

Marines,

The Christmas season is upon us. It's time to get geared up for Toys for Tots. We have the opportunity to do a lot of good for children who need it. Make sure your Dress Blues are in good shape and ready to wear. Look good out there and represent the Marine Corps well. It's very important that you stay flexible and utilize your small unit leadership; your Platoon Sergeant should know where you are at all times.

Sergeants and up; if you haven't checked the SNCO promotion message yet you're running out of time. Check it and see if you're eligible for promotion. Time is running out and you need to get your packages in. if you have any questions feel free to approach me this weekend. If I don't know the answer I can certainly find it.

Every quarter H&S Company has a Marine/NCO of the quarter board. Any of you can be nominated. Do your MCIs, get a 1st class PFT, score Expert at the range, do some professional reading, and lead Marines like you know how. On top of being Marine/NCO of the quarter you get nominated for meritorious promotion. Get busy doing what you joined the Marine Corps to do.

See you all at the Toy warehouse.
